

IslandHealth - Fee Schedule 2019

Overview of the Practice Policy

We strive to keep our fees affordable for all patients.

We encourage patients to pay for treatment at the time of their visit. An administration fee, the sum of £3.00 will be applied to all consultations that are required to be booked.

We offer reduced fees for bloods tests performed by the Practice Nurse. Please note patients must pay for their blood test on the day of visit.

We encourage patients to cancel appointments if they cannot attend enabling doctors to manage their time in surgery efficiently.
